

R&D LEAGUE

MONTHLY REPORT

A Regular Distribution to the R&D League

VOLUME 2

MISSION

Highly-skilled, cross-sector teams will partner to experiment with new ideas and investigate City operations to make evidence-based decisions and transform City services for our 1.5 million residents.

OBJECTIVES

Data-informed decision making

Employee engagement

Top-notch customer service

Resource efficiency

PROJECT NEXT STEPS

Sensors on Vehicles:

Finalize legal agreement and specifics of experimental design.

NEZ Impacts Estimator:

Finalize funding and legal agreement. Develop a pre-analysis plan.

Ideas Portal:

Decide on Salesforce platform and plan a user-centered design workshop with pilot participants.

Autonomous Vehicles:

Finalize implementation plan - vehicles, routes, drivers etc. Finalize applied research questions.

Aligned Mobile Services:

Collect data from departments to determine which areas to target and which services to align.
